

WE ARE HERE TO HELP SIMPLIFY GETTING YOUR MEDICATION

Your healthcare provider has prescribed a medication that will be filled through FUROSCIX Direct, a service that fills your prescription and provides free delivery to your home.

HERE IS WHAT YOU CAN EXPECT

1. We call your insurance carrier

Soon after you leave your doctor's office, a representative from FUROSCIX Direct will contact your insurance carrier to verify your insurance coverage and work on insurance carrier reviews or requests.

2. We call you from 1-855-FUROSCIX (1-855-387-6724)

A representative from FUROSCIX Direct will call you to confirm product-specific prescription coverage, payment method and your mailing address for product delivery.

It's important that we reach you so there isn't a delay in filling your prescription. Make sure to add 1-855-387-6724 to your contacts so you do not miss our call.

3. We fill and deliver

We will fill your prescription for FUROSCIX® (furosemide injection) 80 mg/10 mL for subcutaneous use and deliver it directly to your home.
