ACCESS MADE EASY

You complete the Prescription Start Form

Our convenient, dedicated online prescriber ordering system allows for seamless submission and tracking of the Prescription Start Form. The prescriber ordering system shows each prescription's real-time status and allows you direct communication with staff via online chat.

Prescription Start Forms can also be sent by fax.

Ask your FUROSCIX Sales Representative for more information about the prescriber ordering system.

FUROSCIX Direct® processes the prescription

Once the the Prescription Start Form is received, FUROSCIX Direct will conduct the coverage determination or expedited review (as selected on the form).

Accurate completion of the Prescription Start Form ensures timely initiation of treatment.

FUROSCIX is shipped to your patient's home

FUROSCIX Direct provides your patient 24/7 support from an on-call pharmacist if needed.
